

Jim Fertitta Honored

June 20, 2004

Jim Fertitta of Alfred Station (left) receives a plaque from Jud Stearns (right) President of the Alfred Station Volunteer Fire Co. Association honoring his 27 years of generosity and service to the fire company and the community.

The Alfred Station Volunteer Fire Co. was pleased to present Mr. Jim Fertitta of Alfred Station with a plaque honoring his 27 years of generosity and service to the fire company as the owner of Alfred Collision and Auto Glass. Mr. Fertitta has supported the company in a variety of ways by donating his labor to paint the company's fire trucks and being a steadfast and generous supporter of our building fund and other fundraisers. Jim was always VERY prompt when called for wrecker service at accident scenes regardless of the hour of the day or weather conditions, and was always willing to assist firefighters when needed. Jim and his wife Kathy will be relocating soon to be nearer to their children and family. A real community supporter, he will be missed by the fire company and all who have come to know him over the years.
